

Laax

by Stone Designs

This outdoor ashtray will modernise the rest areas of any exterior or interior patio. Manufactured in epoxy painted iron and treated with cataphoresis, it will resist any inclemency in the weather. It's very simple and easy to clean.

Este cenicero modernizará las zonas de descanso exterior de un edificio o una gran superficie. Fabricado en hierro pintado epoxi y tratado con cataforesis, resistirá a la intemperie a cualquier inclemencia del tiempo. Además, tiene un sistema de vaciado y limpieza muy simple.

Ce cendrier modernisera les aires de repos extérieures d'un bâtiment ou d'une grande surface. Fabriqué en fer peint à l'époxy et traité par cataphorèse, il résistera aux intempéries de toutes les intempéries. De plus, il dispose d'un système de vidange et de nettoyage très simple.
