RECYCLING

A minimalist recycling container, which seeks to break the monotony with its asymmetric geometry, commanding your attention from the first glance. In addition, it travels flat packed for very easy assembly.

Un contenedor de reciclaje minimalista, que busca romper con la monotonía con su geometría asimétrica, así es cómo llamará tu atención desde el primer golpe de vista. Además, viaja desmontada y es de muy fácil montaje.

*Un conteneur de recyclage minimaliste, qui cherche à rompre la monotonie avec sa géométrie asymétrique, voilà comment il attirera votre attention dès le premier regard. En outre, il voyage démonté et est très facile à assembler.*
